About Us

Al-Tawheed Islamic Education Centre of Maidenhead (TIECM) was established in February 2009 when the current site at 22 Cookham Road, Maidenhead was purchased following the sale of our previous premises.

A decade later, our Cookham Road premises were demolished in 2019 to make way for a new purpose built masjid, which opened its doors to the public in October 2020.

We have grown gradually as a community and now accommodate the needs of over 500 people in Maidenhead at various times of the year. One of our goals is to project a positive outlook on Islam and give dawah to the local community through leading by example as responsible members of the community.

Our Teachings and Beliefs

Our masjid propagates the teachings of the Quran and Sunnah as understood by the pious predecessors.

Tawheed Institute

Tawheed Institute is a new department of TIECM. It offers weekend structured Islamic Science studies for **brothers and sisters** from beginners to advanced levels. We cater for all ages from children 6 years plus to adult learners. The Institute is headed by our Principle, Ustadh Yahya Al-Rabby. Tawheed Institute is an entirely separate department from TIECM Madrasa, where the latter offers weekday evening Quran recitation studies. The two have distinct and independent registration processes and fees.

Our Principle: Ustadh Yahya Al-Rabby

Ustadh Yahya Raaby, born in Kolding, Denmark and raised in London, England is currently completing a Bachelor of Science in Islamic Law.

He began memorising the Qur'an at a tender age and by The Grace of Allah completed it within his teenage

years. He studied at Badr Academy under teachers who consist of graduates of The Islamic University of Madina Al-Munawarra (KSA) & Islamic University of Al-Imam Muhammad Ibn Saudi in Riyadh (KSA). Therein he also studied different Islamic sciences such as Tafseer, Hadith, Usool-Fiqh, Fiqh, Grammar, Seerah, History and more. From a young age he always had a knack for the Arabic Language and was always involved in studying its different aspects; from listening, reading, writing and other core language skills. This allowed him to become fluent at the language before he was ever able to set foot in an Arabic-speaking country.

Today, Yahya spends his days juggling between studying Islamic Law, pursuing his career in Media and serving his community through means of Teaching, Lecturing, Delivering Friday sermons, Leading Prayers, Counselling and more.

Launch Event

We will inshallah hold a launch event at TIECM on the 1st January 2022 where Ustadh Yahya Al-Raaby will present the objective of the Institute and course framework. Additionally, it will be an opportunity for you to ask any questions that you may have. Details of timings will inshallah be communicated soon.

Class sessions

Tawheed Institute runs once a week on Sunday mornings during term time. Classes run from **9:00 am to 12:00 pm**. Students are expected to attend every lesson for the full class duration. The first day of term in 2022 is **9th January**.

Enrolment

All students must complete the [online enrolment form](#). Places are limited and subject to availability. In the event of oversubscription priority will be given on a first come basis. All enrolment enquiries should be made via email: tawheedinstitute.tiecm@gmail.com

Fee Structure

Student fees are **£20** per month per child. The fee for any additional sibling is **£10** per month per additional child. Payment should be made by standing order on the 1st of every calendar month with the student's name and date of birth as reference. Where you have multiple children attending the Institute please set up separate standing order payments for each student.

TIECM Institute is an entirely separate department from TIECM Madrasa, which offers weekday evening Quran recitation studies. The two have distinct and independent registration processes and fees. If your child attends the Institute and Madrasa please make two separate payments.

Fees help pay for teachers and educational material, and make the Institute sustainable in the long run.
